Re: Nominations Committee Report – 2009

As chairperson of the DLA Nominating Committee for the 2009 election year, I was charged with locating members interested in the following offices: Vice-President/President-Elect, Secretary, and Treasurer.

With the assistance of fellow DLA members and current officers, I was able to confirm a slate of candidates. There was one name submitted for each office.

Candidates are as follows:

Margie Cyr: Vice President/President Elect

Mary Jane Mallonee -- Secretary

Pauly Iheanacho – Treasurer

Information was submitted for the ballot that included biographical information for each of the candidates. The slate was submitted to the DLA Board and formally accepted through e-mail. The ballot then was sent to members for the general election.

Respectfully submitted,

Suzanne D. Smith
